

Lennox® thermostats and zoning systems
help make your home

ENERGY SMART

HOME COMFORT CONTROLS
PRODUCT COMPARISON GUIDE

LENNOX® THERMOSTATS

Lennox comfort is made even better with the precise, energy-saving control of Lennox® thermostats, leading with the iComfort® S30 smart thermostat.

iComfort® Thermostats

- 1 Smooth Setback Recovery returns the temperature to a comfortable setting up to two hours before you return home, depending on outdoor conditions
- 2 Smart Away™ mode uses the GPS in your smartphone to detect when you're leaving, and automatically changes the temperature to a more energy-efficient setting
- 3 Schedule IQ™ is a one-time programming feature that senses changes in your routine and adjusts heating and cooling to match
- 4 One-Touch Away mode overrides your regular programming schedule when you're away and automatically turns down heating or cooling to save energy
- 5 Energy Reports show you how often and how long your heating and cooling system has run for the month
- 6 Feels Like™ setting takes into account temperature and humidity to make your home feel exactly like you want
- 7 Automatic Changeover switches between heating and cooling, depending on indoor temperature
- 8 Allergen Defender monitors the air quality and pollen levels in your local zip code and automatically turns the fan on as needed to clean your home's air
- 9 Perfect Temp works with your system to heat or cool as needed to preserve your temperature in any weather
- 10 Humidity control works with the system's attached humidity system to optimize moisture levels
- 11 Remote capability when used with a smartphone or other web-enabled device
- 12 Weather-On-Demand allows you to view forecasts and air quality conditions in your area
- 13 Precise Comfort® Plus holds your home's temperature to within 0.5 degree or better when used with premium Lennox® equipment
- 14 Customizable reminders allow you to choose the alerts you want to appear on the home screen
- 15 Works with premium Lennox communicating equipment
- 16 Works with Lennox non-communicating equipment and most other brands of heating and cooling equipment

NOTE: Due to Lennox' ongoing commitment to quality, all specifications and ratings are subject to change without notice. Warranties noted apply to residential applications only. Please see actual warranty certificate for details. Always verify actual system efficiencies through AHRI or by visiting AHRI ratings database at www.ahridirectory.org.
